Let's see some Theater!

We will attend four exciting productions.

The Music Man

Two-time Tony Award®, Grammy Award®, and Emmy Award® winner Hugh Jackman stars in The Music Man.

One of the most universally cherished treasures of the American musical theater, The Music Man was an instant smash hit when it premiered on Broadway on December 19, 1957. It went on to win five Tony Awards®, including the prize for Best Musical, and ran for 1,375 performances. The Smithsonian Institution ranks The Music Man as one of the “great glories” of American popular culture.

MJ

He is one of the greatest entertainers of all time. Now, Michael Jackson’s unique and unparalleled artistry has finally arrived on Broadway in a brand-new musical. Centered around the making of his 1992 Dangerous World Tour, and created by Tony Award®-winning Director/Choreographer Christopher Wheeldon and two-time Pulitzer Prize winner Lynn Nottage, MJ goes beyond the singular moves and signature sound of the star, offering a rare look at the creative mind and collaborative spirit that catapulted Jackson into legendary status.

Kimberly Akimbo

A new musical from Tony Award winner Jeanine Tesori & Pulitzer Prize winner David Lindsay-Abaire based on the critically-acclaimed play of the same name.

Kim is a bright and funny Jersey teen, who happens to look like a 72-year-old lady. And yet her aging disease may be the least of her problems. Forced to maneuver family secrets, borderline personalities, and possible felony charges, Kim is determined to find happiness in a world where not even time is on her side.

Almost Famous

The year is 1973 and it’s all happening. Led Zeppelin is king, Richard Nixon is President, and idealistic 15-year-old William Miller is an aspiring music journalist. When Rolling Stone magazine hires him to go on the road with an up-and-coming band, William is thrust into the rock-and-roll circus, where his love of music, his longing for friendship, and his integrity as a writer collide. ALMOST FAMOUS is about a young man finding his place in the world and the indelible characters he meets along the way. It’s a celebration of community, family, fandom and the power of music.

(Please note that theater choices may change depending on Covid and the sudden closings of shows. Thank you for your patience!)
